Dear Mr. Fusco:

It is my privilege to thank Norristown Bocce League for its generous gift to support women's cancer programs at Fox Chase Cancer Center through the Patty Simons Memorial Bocce Ball Tournament. We are grateful for your organization's longstanding commitment to Fox Chase which plays a critical role in our mission: to prevail over cancer.

Every day, patients entrust us with their lives and we are humbled by their decision to choose Fox Chase. Our researchers earn prestigious grants to pursue scientific discovery, while our clinical team provides patients access to the latest therapies through innovative clinical trials and therapeutic approaches.

Our team never loses sight of our mission, and we can pursue these efforts because of you and partners like the Norristown Bocce League who share our vision. Thank you for believing in our ability to revolutionize cancer care. Fox Chase is strengthened by your vision and generosity. Please accept my warm wishes for a happy and healthy holiday season!

Sincerely,

Shawn P. Kleitz
